

2KM JUNIOR RIVER RUN COURSE MAP

THE COURSE:

A new course for 2023 for those juniors (8-12yo) who are looking to step up the distance but not ready for 5km.

The juniors will start near the finishing line, making their way through the Historic Port including running under the Echuca Wharf right on the Murray River! Keep an eye out for the paddle steamer! As they exit the Port area, they will make their way out around Aquatic Reserve and back through the Historic Port and straight down the finishing chute to plenty of cheers!!
